The Company incurred total expenses amounted to Rs 919.79 Lakhs as compared to Rs 218.56 Lakhs during the previous year. Profit/Loss after tax stood at Rs 223.04 Lakhs as against Profit/Loss of Rs (55.12) Lakhs in the previous year.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS

The strength of any modern economy is based on the soundness of its financial system. With a combined push by Government and private sector, India is undoubtedly one of the world's most vibrant capital markets. Indian financial services industry has experienced huge growth in the past few years and this momentum is expected to continue.

The Commodities markets play a vital role in the functioning and development of the Indian economy. The biggest driver of exchange business in India has been the application and operationalization of information technology, which changed the entire face of the industry. The growth of online commodity futures trading and development of an efficient, transparent, and well-organized market, over the past few years, have thrown open number of opportunities and enormous benefits to various stakeholders, ranging from producers to processors and consumers.

The Indian economy recorded a growth of 7.2 per cent in GDP in 2022-23 amidst global challenges - the war in Ukraine, the persistent elevation in food and energy inflation and tightening of financial conditions in response to aggressive and synchronized monetary policy tightening across the globe. The Financial markets experienced bouts of volatility in 2022-23, as geopolitical tensions intensified, interest rate hikes by the US Fed turned aggressive and global growth outlook deteriorated. A sustained recovery in discretionary spending, restoration of consumer confidence, high festive season spending after two consecutive years of COVID-19 provided impetus to the growth momentum.

3. OPPORTUNITIES AND THREATS

After the COVID-19 pandemic forced the world to limit face-to-face contact, businesses were urged to escalate their digital transformation efforts. Rise in cases of data breaches and privacy concerns, coupled with progressive regulatory and compliance requirements are the new hurdles for Finance Sector in India. With the threat of recession looming, organizations are forced to rethink their strategies and investments. The problems faced by financial markets have resulted from short term economic slowdown, geopolitical tensions and global surge in inflation.

India is still a highly under penetrated market in terms of geographical reach and wallet shares across wealth, credit and protection products. Positive long term economic outlook will lead to opportunity for financial services. After the COVID-19 pandemic, regulatory reforms have accelerated and it would aid greater participation by all class of investors. Indian financial market outperformed most of its competitors on the strength of macroeconomic fundamentals and favorable growth prospects.

4. FUTURE PROSPECTS AND OUTLOOK

Research from the World Bank shows that the quantities of consumption of many commodities have risen over the past years, as there has been a corresponding growth in global demographics as well as growth in incomes. Any commodity market today, therefore, should be a fruitful one for investment. However, due to innovations in the technology sector, the relevance of commodities has seen a shift. This is largely because technological advancement has given rise to new ways of use of some raw materials, and some commodities have been substituted so that they may not be required at all. On the subject of the growth of technology, this is one of the key variables that will have an effect on commodities and commodity trading in the future.

Though the commodity futures market has proved their mettle over the years, there are huge benefits for the economy waiting to be reaped, if a more liberalized environment is permitted for this market to operate in. Ultimately, new measures can potentially alter the face of the commodity derivatives economy in India given the long-term benefits that flow to all sections of the economy.

The Outlook of the Company for the year ahead is to derive profitable growth by exploring various options to strengthen its capital base to augment the long-term resources for meeting funds requirements for its business activities, future growth opportunities and general corporate purposes.

5. RISKS AND CONCERNS

INDEPENDENT AUDITORS' REPORT

To
The Members of HB PORTFOLIO LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **HB Portfolio Limited** ("the Company"), which comprise the standalone balance sheet as at 31st March 2023, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of cash flows and the standalone statement of changes in equity for the year then ended, and notes to the Standalone Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, its profit including other comprehensive loss, its cash flows and changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

We have determined that there are no key audit matter to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors report to be included in the Company's Annual report, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when,

in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the **Annexure 'A'** a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The standalone Balance Sheet, the standalone Statement of Profit and Loss (including other comprehensive income), the standalone statement of changes in equity and the standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to **Annexure 'B'**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position
 - ii. The Company did not have any long-term contracts including derivative contracts as at 31st March, 2023
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE – A TO THE AUDITORS' REPORT

The annexure referred to in Independent Auditor's Report to the members of **HB Portfolio Limited** on the standalone financial statements for the year ended on 31st March,2023, We Report that:

1.
 - a.
 - (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment. The Company does not have any right of use assets.
 - (B) The company does not have intangible assets.
 - b. As explained to us, the management during the year has physically verified the Property, Plant and Equipment in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the company and nature of its assets. No material discrepancies were noticed on such physical verification.
 - c. The Company does not have any immovable property.
 - d. The Company has not revalued any of its Property, Plant and Equipment during the year.
 - e. There are no proceedings initiated or are pending against the Company for holding any Benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
2.
 - a. The Company does not have any inventory. Hence, the reporting requirement of para 3(ii)(a) of the order is not applicable to the Company.
 - b. No working capital limit has been sanctioned and availed by the Company. Hence, the reporting requirement of para 3(ii)(b) of the order is not applicable to the Company.
3.
 - a. Since the principle business of the Company is to give loans and make investments, the reporting requirement of para 3(iii)(a) is not applicable.
 - b. In our opinion and according to the information and explanations given to us, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees, provided during the year are not prejudicial to the Company's interest.
 - c. The schedule of repayment of principal and payment of interest has been stipulated for the loans granted and the repayment/receipts are regular.

- d. According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given.
- e. Since the principle business of the Company is to give loans and make investments, the reporting requirement of para 3(iii)(e) is not applicable.
- f. The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
4. In our opinion and according to the information and explanations given to us, the company has complied with the provision of section 185 and 186 of the Act, with respect to the loans and investment made and guarantee given and security provided, to the extent applicable to the Company.
5. The Company has neither accepted any deposits from the public nor accepted any amount which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
6. The nature of the company's business/activities is such that maintenance of Cost Records under section 148(1) of the Companies Act, 2013 is not applicable to the company.
7.
 - a. According to the records of the Company, undisputed statutory dues including Goods and Service Tax, Provident Fund, Employee's State Insurance, Income Tax, Customs Duty, Excise Duty, Value added tax, Cess and other statutory dues to the extent and as applicable to the company have been generally regularly deposited by the company during the year with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2023 for a period of more than six months from the date of becoming payable.
 - b. According to the records of the Company, there are no disputed statutory dues that have not been deposited on account of matters pending before appropriate authorities.
8. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Hence, the para 3(viii) of the order is not applicable to the Company.
9.
 - a) In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of loan or other borrowing or in the payment of interest thereon to any lender.
 - b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - c) According to the records of the Company examined by us and the information and explanation given to us terms loans (vehicle loans) taken by the company were applied for the purpose for which the loan were obtained.
 - d) On an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
 - e) On the basis of books and records examined by us, the Company has not taken any funds from any entity or person on account of or to meet the obligation of its subsidiaries or associate. The Company does not have any joint venture.
 - f) On the basis of books and records examined by us and as explained to us, the Company has not raised any loan during the year on the pledge of securities held in its subsidiaries or associates.
10.
 - a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments). Hence, the para 3(x)(a) of the order is not applicable to the Company.
 - b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or convertible debentures (fully, partly or optionally convertible) during the year. Accordingly, provisions of clause 3 (xiv) of the Order are not applicable to the Company.
11.
 - a) In our opinion and according to the information and explanation given to us, no fraud by the company or on the Company has been noticed or reported during the course of our audit.
 - b) During the year no report under sub-section 12 of section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - c) No whistle blower complaints were received by the Company during the year. Hence, the reporting para 3(xi)(c) of the order is not applicable to the Company.
12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the order is not applicable.
13. According to the information and explanations given to us and based on or examinations of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transaction have been disclosed in the financial statements as required by the applicable accounting standards.
14.
 - a) In our opinion the company has an adequate internal audit system commensurate with the size and the nature of its business.
 - b) We have considered, the internal audit reports for the year under audit, issued to the company during the year and till date, in determining the nature, timing and extent of our audit procedures.
15. According to the information and explanations given to us and based on our examination of the record of the Company, the Company has not entered into non-cash transactions with directors or persons connected with its director. Accordingly, paragraph 3(xv) of the order is not applicable.
16.
 - a) The Company had made application to Reserve Bank of India for registration under Section 45-IA of the Reserve Bank of India Act, 1934 and the registration has not been granted so far. (Refer note no. 34 of standalone financial statements).
 - b) The Company has conducted Non-Banking Financial activities and as stated in para (a) above, the company had made application to Reserve Bank of India for registration under Section 45-IA of the Reserve Bank of India Act, 1934 and the registration has not been granted so far.
 - c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
 - d) There is no Core Investment Company as a part of the Group. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
17. The Company has not incurred cash losses in the current year. However, the Company had cash losses of ₹ 42.83 Lakhs in the immediately preceding financial year. For the purpose of reporting under this clause, the amount of 'Other Comprehensive Income' has not been considered.
18. There has been no resignation of the statutory auditor during the year. Hence, the reporting para 3(xviii) of the order is not applicable to the Company.
19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, the our knowledge of the Board of Directors and Management plans and based on our examination of evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date to the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company and when they fall due.
20. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

**Report on the Internal Financial Control under clause (i) of sub section 3 of section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **HB Portfolio Limited** ("the Company") as of 31st March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

1. Company Information / Overview

The Company is a Public Limited Company incorporated and domiciled in India having its registered office at Gurugram, India. The Company is engaged in the activities/business of Investment and financial services. During the year the company has also started the business of trading in commodities. The Equity Shares of the Company are listed at BSE Limited.

2. Basis of preparation of financial statements

(A) Compliance with Ind As

The financial statements of the Company comply in all material aspects with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies(Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act. Any directions issued by the RBI or other regulators are implemented as and when they become applicable.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

(B) Presentation of financial statements

The Balance Sheet, the statement of Changes in Equity and the Statement of Profit and Loss are presented in the format prescribed under Division III of Schedule III of the Act, as amended from time to time, for Non-Banking Financial Companies ('NBFCs') that are required to comply with Ind AS. The statement of Cash Flows has been presented as per the requirements of Ind AS 7 Statement of Cash Flows.

(C) Basis of preparation

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments and plan assets of defined benefit plans, which are measured at fair values at the end of each reporting as explained in the accounting policies below.

3. Significant Accounting Policies

3.1 Use of estimates and judgement

The preparation of financial statements in conformity with Ind AS requires that management make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets, liabilities and disclosures of contingent assets and liabilities at the end of the reporting period. The actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

A) Effective Interest Rate (EIR) Method

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/expense that are integral parts of the instrument.

B) Impairment of loans portfolio

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances. It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

C) Defined employee benefit assets and liabilities

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

D) Fair value measurement:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

E) Other Estimates:

These include contingent liabilities, useful lives of tangible and intangible assets etc.

3.2 Financial Instruments

A) Initial Recognition and measurement

All financial assets and financial liabilities are recognised when the company become a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of profit and loss.

B) Classification and Subsequent measurement of financial assets-

The company classifies its financial assets into various measurements categories. The classification depends on the contractual terms of the financial assets' cash flows and the company's business model for managing financial assets.

a. Amortised Cost

A financial asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b. FVOCI- debt instruments

A debt instruments in nature of financial asset is measured at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets; and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c. FVOCI- equity instruments

Equity instruments in nature of financial assets are measured at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

d. FVTPL

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Subsequent Measurement of financial assets

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Any gain and loss on derecognition is recognised in Statement of profit and loss.

Debt investment at FVOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of profit and loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to Statement of profit and loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for strategic purpose. Dividend income received on such equity investments are recognised in Statement of profit and loss.

Equity investments that are not designated as measured at FVOCI are designated as measured at FVTPL and subsequent changes in fair value are recognised in Statement of profit and loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of profit and loss.

C. Financial Liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

Financial Liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on derecognition is also recognised in Statement of profit and loss.

D. Derecognition

Financial Assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in Statement of profit and loss.

E. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

F. Impairment

The Company recognises lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired. If the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

3.3 Cash and cash equivalents

Cash and cash equivalents comprise of cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any, as they are considered an integral part of the Company's cash management.

3.4 Property, plant and equipments (PPE)

Property, plant and equipment (PPE) are measured at cost less accumulated depreciation and accumulated impairment, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Advances paid towards the acquisition of fixed assets, outstanding at each reporting date are shown under other non-financial assets. The cost of property, plant and equipment not ready for its intended use at each reporting date are disclosed as capital work-in-progress.

Subsequent expenditure related to the asset are added to its carrying amount or recognised as a separate asset only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis.

The estimated useful lives used for computation of depreciation are as follows:

Particulars	Useful life
Furniture & fixture	10 years
Office equipment	5 years
Computer	3 years
Vehicles	8 years

Assets costing less than Rs. 5000/- are fully depreciated in the period of purchase.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.

3.5 Intangible assets :

Intangible assets comprises of computer software which is amortized over the estimated useful life. The amortization period is lower of license period or 36 months which is based on management's estimates of useful life. Amortisation is calculated using the straight line method to write down the cost of intangible assets over their estimated useful lives.

3.6 Impairment of assets other than financial assets :

The Company reviews the carrying amounts of its tangible and intangible assets at the end of each reporting period, to determine whether there is any indication that those assets have impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount such that the increased carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised for the asset (or cash-generating unit) in prior years. The reversal of an impairment loss is recognised in Statement of profit and loss.

3.7 Investments in subsidiaries and associates :

Investments in subsidiaries and associate are measured at cost less accumulated impairment, if any.

3.8 Provisions :

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.9 Revenue recognition

A) Recognition of interest income on loans

Interest income is recognised in Statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost, debt instruments measured at FVOCI and debt instruments designated at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through Interest income in the Statement of profit and loss.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired, the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial asset cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Additional interest and interest on trade advances, are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognised over the tenure of the instrument so as to provide a constant periodic rate of return.

B) Fees and commission income :

Fee based income are recognised when they become measurable and when it is probable to expect their ultimate collection.

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

C) Dividend and interest income on investments :

- Dividends are recognised in Statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.
- Interest income from investments is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

3.10 Employee Benefits :

A) Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

B) Contribution to provident fund

Company's contribution paid/payable during the year to provident fund is recognised in the Statement of profit and loss.

C) Gratuity

The Company's liability towards gratuity scheme is determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognised at the earlier of the plan amendment / curtailment and recognition of related restructuring costs/ termination benefits.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of profit and loss. Liability for Gratuity is funded with Life India Corporation of India.

Remeasurement gains/ losses-

Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period.

Remeasurement gains or losses on long-term compensated absences that are classified as other long-term benefits are recognised in Statement of profit and loss.

D) Superannuation fund

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of profit and loss. The Company has no obligation to the scheme beyond its contributions.

E) Leave encashment / compensated absences

The Company provides for the encashment / availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

3.11 Finance costs

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at Amortised cost. Financial instruments include bank term loans, non-convertible debentures, fixed deposits mobilised, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the Statement of profit and loss.

3.12 Taxation - Current and deferred tax:

Income tax expense comprises of current tax and deferred tax. It is recognised in Statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

A) Current tax :

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

B) Deferred tax :

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured

at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

3.13 Leases

As a lessee

The Company has applied Ind AS 116 with effect from 1 April 2019, which replaces the existing lease standard, Ind AS 17 Leases and other Interpretations. The Company has applied Ind AS 116 using the modified retrospective approach and has accordingly not restated the comparative information. The Company at the inception of a contract, assesses whether a contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. A lessee recognises a right-of use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments.

The Company has elected not to recognise right-of-use of assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term.

3.14 Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.15 Exceptional items

When items of income and expenses within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

3.16 Earning per share

The Company reports basic and diluted earnings per equity share. Basic earnings per equity share have computed by dividing net profit/loss attributable to the equity share holders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share have been computed by dividing the net profit attributable to the equity share holders after giving impact of dilutive potential equity shares for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

3.17 Recent accounting development

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standard) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standard) Amendments Rules, 2023, as below:

- a) -Ind AS -1 Presentation of Financial Statements - This amendments requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date of adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendments and the impact of the amendment is insignificant in the standalone financial statements.
- b) -Ind AS - 8 Accounting Policies, Changes in Accounting Estimates and Errors - This amendments has introduced a definition of 'Accounting Estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendments is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendments and there is no impact on its standalone financial statements.
- c) -Ind AS 12-Income Taxes-This amendment has narrowed the scope of initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Description of the nature and purpose of Other Equity:

General Reserve

General Reserve represents the statutory reserve. This is in accordance with Indian Corporate Law where in a portion of profit is apportioned to General Reserve. Under Companies Act, 1956, it was mandatory to transfer amount before a company can declare dividend. However, under companies Act, 2013 transfer of any amount to general reserve is at the discretion of the company.

Securities Premium

Securities premium represents amount received in excess of face value of the equity shares. The Securities premium can be applied by the company for limited purposes such as issuance of bonus shares, buy back of shares etc. in accordance with the provisions of Section 52 of the Companies Act, 2013.

Statutory Reserve

Statutory reserve represents reserve fund created pursuant to Section 45-1C of the RBI Act, 1934 through transfer of specified percentage (20%) of net profit every year before any dividend is declared. The reserve fund can be utilised only for limited purposes as specified by RBI from time to time and every such utilisation shall be reported to the RBI within specified period of time from the date of such utilisation. During the year, the company has not transferred 20% of its net profit to the statutory reserve. (Reserve Note No. 34)

Retained Earnings

Retained earnings or accumulated surplus represents total of all profits retained since Company's inception. Retained earnings are credited with current year profits, reduced by losses, if any, dividend payouts, transfers to General reserve or any such other appropriations to specific reserves.

Equity Instruments through Other Comprehensive income.

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated

within the FVTOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

Other Comprehensive Income-Remeasurement gain/ (losses) on defined benefit plan

The Company recognises change on account of remeasurement of the net defined benefit liability/(asset) as part of other comprehensive income.

34. In the earlier years, the Company had made an application to Reserve Bank of India (RBI) for issue of Certificate of Registration under Section 45IA of the Reserve Bank of India Act, 1934 as a Non Banking Financial Company (NBFC). However, Reserve Bank of India advised the Company to resubmit the application with some documents and latest financials which the company complied. Subsequently, Reserve Bank of India asked the company to re-submit the application due to some procedural issues which was also done by the company. So far, the Company has not received any reply from the Reserve Bank of India. To ensure the Company's well being and its growth, the Board of Directors of the Company in the earlier years took steps to diversify its business and the Company altered

the object clause of Memorandum and Articles of Association by including commodity trading business besides investment and finance.

Consequent to the above mentioned diversification of business, the company does not require registration under section 45IA of the Reserve Bank of India Act, 1934 and the provisions of 'Non-Banking Financial Company -Non-Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016 and other regulation as applicable to the NBFC including disclosure requirement are not applicable.

35. Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

The company has adequate cash and bank balances. The company monitors its capital by careful scrutiny of the cash and bank balances, and a regular assessment of any debt requirements. In the absence of any significant amount of debt, the maintenance of debt equity ratio etc. may not be of any relevance to the Company.

36. Financial Risk Management

Financial Risk Factors

The Company's principal financial liabilities, comprise borrowings and other payables. The main purpose of these financial liabilities is to purchase certain fixed assets and other liabilities incurred during the ordinary course of Company's operations. The Company's principal financial assets include Investments, inter corporate deposits, loans, cash and cash equivalents and other receivables. The Company's activities expose it to a variety of financial risks:

I. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments.

The company is exposed to market risk primarily related to the market value of its investments.

Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of Financial Instruments will fluctuate because of change in market interest rates. The company does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates which are measured at amortised cost.

Currency risk

Currently company does not have transaction in foreign currencies and hence the company is not exposed to currency risk.

Equity Price Risk

(a) Exposure

The company is exposed to equity price risk arising from Investments held by the company and classified in the balance sheet as fair value through OCI. To manage its price risk arising from investment in equity securities, the company diversifies its portfolio. The majority of the company's equity instruments are listed on the Bombay stock exchange (BSE) or the National stock exchange (NSE) in India.

(b) Sensitivity analysis- Equity price risk

The table below summarise the impact of increase/ decrease of the index on the company's equity and the profit for the period. The analysis is based on the assumption that the equity/ index had increased by 2% or decreased by 2% with all other variable held constant, and that all the company's equity instruments moved in line with the Index.

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To,
The Members of HB PORTFOLIO LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **HB PORTFOLIO LIMITED** (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding company and its subsidiaries together referred to as 'the group') and its associate, which comprise of the Consolidated Balance Sheet as at 31st March, 2023 and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and associate, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 31st March, 2023, their consolidated profit including other comprehensive loss, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group and its associate in accordance with Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rule thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion on the consolidated financial statements.

Key Audit Matters

We have determined that there are no key audit matter to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its Associate in accordance with the Ind AS and other accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and of its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and of its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

- (a) We did not audit the financial statements / financial information of four subsidiaries, whose financial statements / financial information reflect total assets of Rs. 8,525.96 Lakhs as at 31st March, 2023, total revenue of Rs. 1459.43 Lakhs, total net profit after tax of Rs. 409.95 Lakhs and net cash outflows amounting to Rs. 95.16 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements/ financial information of four subsidiaries have been audited by the other auditor whose reports have been furnished to us by the management and our opinion, on the statement, in so far as it relates to the amounts and disclosures included in respect of the four subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.
- (b) The consolidated financial statements also include the Group's share of net profit after tax of Rs. 11.33 Lakhs for the year ended 31st March, 2023, as considered in the consolidated financial statements, in respect of one associate, whose financial statements / financial information have not been audited by us. In respect of the associate, financial statements / financial information is unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid associate, is based solely on such unaudited financial statements / financial information.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit we give in the "Annexure A" a statement on the matters specified in paragraph 3(xxi) of the Order.
- 2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The consolidated balance sheet, the consolidated statement of profit and loss including the statement of other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2023 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company and its associate company, none of the directors of the Group companies is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations which would impact the consolidated financial position of the Group and its associate;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group Company.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its subsidiaries or its associate company incorporated in India to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or its subsidiaries or its associate company incorporated in India from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The dividend declared or paid during the year by the Group is in accordance with section 123 of the Act to the extent it applies to payment of dividend.
 - vi. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Holding Company or associate company incorporated in India only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable
 - (h) The managerial remuneration for the year ended 31st March, 2023 has been paid/ provided for by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act

ANNEXURE – B TO THE AUDITORS’ REPORT

Report on the Internal Financial Control under clause (i) of sub section 3 of section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2023, we have audited the internal financial controls over financial reporting of **HB Portfolio Limited** (“the Holding Company”) and its subsidiary company which is company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

1. Company Information / Overview

The Company is public limited company incorporated and domiciled in India having its registered office at Gurugram, India. The Company is engaged in the business of activities of Non-banking financial company- Non-Systemically important Non-Deposit taking Company. Equity share of the company is listed on Bombay stock exchange. During the year the company has also started the business in trading in commodities. These consolidated financial statements comprise the Company and its subsidiaries (referred to collectively as the 'Group') and the Group's interest in associates.

2. Basis of preparation of financial statements.

(A) Compliance with Ind As

The consolidated financial statements of the Company comply in all material aspects with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act. Any directions issued by the RBI or other regulators are implemented as and when they become applicable.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

(B) Presentation of financial statements

The Balance Sheet, the statement of Changes in Equity and the Statement of Profit and Loss are presented in the format prescribed under Division III of Schedule III of the Act, as amended from time to time, for Non-Banking Financial Companies ('NBFCs') that are required to comply with Ind AS. The statement of Cash Flows has been presented as per the requirements of Ind AS 7 Statement of Cash Flows.

(C) Basis of preparation

The consolidated financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments and plan assets of defined benefit plans, which are measured at fair values at the end of each reporting as explained in the accounting policies below.

3. Significant Accounting Policies

3.1 Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries and associate.

A) Subsidiaries

Subsidiaries are entities over which the Group has control. Subsidiaries are consolidated on a line-by-line basis from the date the control is transferred to the Group. They are deconsolidated from the date that control ceases. Changes in the Group's interest in subsidiaries that do not result in a loss of control are accounted as equity transactions. The carrying amount of the Company's interests and the non-controlling interests ("NCI") are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. These financial statements are prepared by applying uniform accounting policies in use at the Group.

B) Associates

Associates are those entities over which the Group has significant influence, but not control or joint control. Investments in associates are accounted for using the equity method and are initially recognised at cost from the date significant influence commences, and thereafter to recognise the Group's share of post acquisition profits or losses of the investee in the Consolidated Statement of Profit and Loss, and the Group's share of Other Comprehensive Income of the investee in other comprehensive Income. Dividend received or receivable from associated are recognised as a reduction in the carrying amount of the investment.

C) Subsidiaries and associate companies considered in the consolidated financial statements:

Name of the Company	Ownership Interest (In %)	
	31st March, 2023	31st March, 2022
Subsidiary Companies:		
HB Securities Ltd.	100.00%	100.00%
HB Corporate Ltd.	97.40%	97.40%
Taurus Asset Management Company Ltd.	99.99%	99.99%
Taurus Investment Trust Co. Ltd.	80.39%	80.39%
Associates:		
Merwanjee Securities Ltd.	48.00%	48.00%

3.2 Use of estimates and judgement

The preparation of financial statements in conformity with Ind AS requires that management make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets, liabilities and disclosures of contingent assets and liabilities at the end of the reporting period. The actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

A) Effective Interest Rate (EIR) Method

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/expense that are integral parts of the instrument.

B) Impairment of loans portfolio

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances. It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

C) Defined employee benefit assets and liabilities

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

D) Fair value measurement:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

E) Other Estimates:

These include contingent liabilities, useful lives of tangible and intangible assets etc.

3.3 Financial Instruments

A) Initial Recognition and measurement

All financial assets and financial liabilities are recognised when the company become a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of profit and loss.

B) Classification and Subsequent measurement of financial assets-

The company classifies its financial assets into various measurements categories. The classification depends on the contractual terms of the financial assets' cash flows and the company's business model for managing financial assets.

a. Amortised Cost

A financial asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b. FVOCI- debt instruments

A debt instruments in nature of financial asset is measured at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets; and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c. FVOCI- equity instruments

Equity instruments in nature of financial assets are measured at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

d. FVTPL

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Subsequent Measurement of financial assets

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Any gain and loss on derecognition is recognised in Statement of profit and loss.

Debt investment at FVOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of profit and loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to Statement of profit and loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for strategic purpose. Dividend income received on such equity investments are recognised in Statement of profit and loss.

Equity investments that are not designated as measured at FVOCI are designated as measured at FVTPL and subsequent changes in fair value are recognised in Statement of profit and loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of profit and loss.

C. Financial Liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

Financial Liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on derecognition is also recognised in Statement of profit and loss.

D. Derecognition

Financial Assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in Statement of profit and loss.

E. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

F. Impairment

The Company recognises lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired. If the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

3.4 Cash and cash equivalents

Cash and cash equivalents comprise of cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any, as they are considered an integral part of the Company's cash management.

3.5 Property, plant and equipments (PPE)

Property, plant and equipment (PPE) are measured at cost less accumulated depreciation and accumulated impairment, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Advances paid towards the acquisition of fixed assets, outstanding at each reporting date are shown under other non-financial assets. The cost of property, plant and equipment not ready for its intended use at each reporting date are disclosed as capital work-in-progress.

Subsequent expenditure related to the asset are added to its carrying amount or recognised as a separate asset only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis.

The estimated useful lives used for computation of depreciation are as follows:

Particulars	Useful life
Furniture & fixture	10 years
Office equipment	5 years
Computer	3 years
Building	30 years
Vehicles	8 years

Assets costing less than Rs.5000/- are fully depreciated in the period of purchase.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.

3.6 Intangible assets :

Intangible assets comprises of computer software which is amortized over the estimated useful life. The amortization period is lower of license period or 36 months which is based on management's estimates of useful life. Amortisation is calculated using the straight line method to write down the cost of intangible assets over their estimated useful lives.

3.7 Impairment of assets other than financial assets :

The Company reviews the carrying amounts of its tangible and intangible assets at the end of each reporting period, to determine whether there is any indication that those assets have impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount such that the increased carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised for the asset (or cash-generating unit) in prior years. The reversal of an impairment loss is recognised in Statement of profit and loss.

3.8 Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.9 Employee Benefits :

A) Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

B) Contribution to provident fund and ESIC

Company's contribution paid/payable during the year to provident fund and ESIC is recognised in the Statement of profit and loss.

C) Gratuity

The Company's liability towards gratuity scheme is determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognised at the earlier of the plan amendment / curtailment and recognition of related restructuring costs/ termination benefits.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of profit and loss. Liability for Gratuity is funded with Life India Corporation of India.

Remeasurement gains/ losses-

Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period.

Remeasurement gains or losses on long-term compensated absences that are classified as other long-term benefits are recognised in Statement of profit and loss.

D) Superannuation fund

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of profit and loss. The Company has no obligation to the scheme beyond its contributions.

E) Leave encashment / compensated absences / sick leave -

The Company provides for the encashment / avilment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / avilment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

3.10 Revenue recognition

Revenue (other than those items to which Ind As 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue form contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind ASs.

The company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115.

Management fees charged for the management of portfolios and are recognised on accrual basis at the agreed upon rates with the reference to their average daily net assets.

Revenue is recognized on accrual basis to the extent that is possible that the economic benefits will flow to the Company and can be reliably measured. Where significant uncertainty exists with regard to realization of revenue at the time of accrual, the underlying revenue is not recognized to that extent. Revenue is measured at the fair value of the consideration received or receivable taking into account contractually defined terms of payment excluding taxes and duties collected on behalf of the Government.

Interest income is recognised on a time proportionate basis taking into account the amount outstanding and the effective interest rate and the amount can be measured.

3.11 Finance costs

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at Amortised cost. Financial instruments include bank term loans, non-convertible debentures, fixed deposits mobilised, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the Statement of profit and loss.

3.12 Taxation - Current and deferred tax:

Income tax expense comprises of current tax and deferred tax. It is recognised in Statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

A) Current tax :

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

B) Deferred tax :

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

3.13 Leases

Effective 1st April, 2019 the Group has applied Ind AS 116 "Leases" and capitalized assets taken on non-cancellable lease other than short term leases and low value leases as right-of-use asset and corresponding lease liability during the current financial year. In the statement of Profit and Loss for the current financial year, the nature of expenses in respect of Operating Lease has changed from lease rent in previous periods to depreciation cost for the right-of-use asset and finance cost for interest accrued on lease liability except for the short term and low value leases.

Remeasurement of the lease liability is carried if there is any change in the lease term or in the assessment of an option to purchase the underlying asset. Remeasurement of lease liability is done by discounting the revised lease payments using the revised discount rate. Amount of remeasurement of lease liability is recognized as an adjustment to right-of-use asset.

3.14 Foreign Exchange Transaction

Transactions in foreign currency are recorded at exchange rates prevailing on the date of transaction. Monetary items denominated in foreign currency are restated at the exchange rate prevailing on the balance sheet date. Foreign currency non-monetary items carried in terms of historical cost are reported using the exchange rate at the date of transaction. Exchange differences arising on settlement of transactions and/ or restatement are dealt with in the Profit and Loss Account.

3.15 Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.16 Exceptional items

When items of income and expenses within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the

performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

3.17 Earning per share

The Company reports basic and diluted earnings per equity share. Basic earnings per equity share have been computed by dividing net profit/loss attributable to the equity share holders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share have been computed by dividing the net profit attributable to the equity share holders after giving impact of dilutive potential equity shares for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

3.18 Recent accounting development

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standard) Rules as issued from time to time. On 31st March, 2023, MCA amended the Companies (Indian Accounting Standard) Amendments Rules, 2023, as below:

-Ind AS -1 Presentation of Financial Statements - This amendments requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date of adoption of this amendment is annual periods beginning on or after 1st April, 2023. The Group has evaluated the amendments and the impact of the amendment is insignificant in the consolidated financial statements.

-Ind AS - 8 Accounting Policies, Changes in Accounting Estimates and Errors - This amendments has introduced a definition of 'Accounting Estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendments is annual periods beginning on or after 1st April, 2023. The Group has evaluated the amendments and there is no impact on its consolidated financial statements.

-Ind AS 12-Income Taxes-This amendment has narrowed the scope of initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2023. The Group has evaluated the amendment and there is no impact on its consolidated financial statements.

Description of the nature and purpose of Other Equity:
Capital Reserve

Capital Reserve represent the difference between the cost to the parent of the investment in subsidiary/ associates and the parent company share of equity of subsidiary/ associates on the date on which the investment in such subsidiary is done.

General Reserve

General Reserve represents the statutory reserve. This is in accordance with Indian Corporate Law where in a portion of profit is apportioned to General Reserve. Under Companies Act, 1956, it was mandatory to transfer amount before a company can declare dividend. However, under companies Act, 2013 transfer of any amount to general reserve is at the discretion of the company.

Securities Premium

Securities premium represents amount received in excess of face value of the equity shares. The Securities premium can be applied by the company for limited purposes such as issuance of bonus shares, buy back of shares etc. in accordance with the provisions of Section 52 of the Companies Act, 2013.

Statutory Reserve

Statutory reserve represents reserve fund created pursuant to Section 45-IC of the RBI Act, 1934 through transfer of specified percentage (20%) of net profit every year before any dividend is declared. The reserve fund can be utilised only for limited purposes as specified by RBI from time to time and every such utilisation shall be reported to the RBI within specified period of time from the date of such utilisation. During the year, the company has not transferred 20% of its net profit to the statutory reserve. (Reserve Note No. 34).

Retained Earnings

Retained earnings or accumulated surplus represents total of all profits retained since Company's inception. Retained earnings are credited with current year profits, reduced by losses, if any, dividend payouts, transfers to General reserve or any such other appropriations to specific reserves.

Equity Instruments through Other Comprehensive income.

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVTOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

Other Comprehensive Income-Remeasurement gain/ (losses) on defined benefit plan

The Company recognises change on account of remeasurement of the net defined benefit liability/(asset) as part of other comprehensive income.

Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of Financial Instruments will fluctuate because of change in market interest rates. The company does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates which are measured at amortised cost.

Currency risk

Currently company does not have transaction in foreign currencies and hence the company is not exposed to currency risk.

Other Price Risk

Other Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market trade price/ quoted price/ declared NAV. The company is exposed to price risk arising mainly from Investment in Equity shares and Mutual Funds. The investment of the company in equity shares is measured at fair value through Profit or loss/ fair value through OCI which falls in medium risk category and also mutual funds are measured at fair value through profit or losses/ fair value through OCI and fall in medium risk category.

II. Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its financing activities towards inter corporate loans where no significant impact on credit risk has been identified.

III. Liquidity risk

Liquidity risk is the risk that the Group may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Group manages its liquidity requirement by analysing the maturity pattern of Company's cash flows of financial assets and financial liabilities.

The following is the contractual maturities of the financial liabilities:

38. Contingent Liabilities and Commitments (To the extent not provided for): -

Contingent Liabilities: - Rs. Nil (Previous Year Rs. Nil)

39. The debt schemes of Taurus Mutual Fund had invested in Commercial Papers of Ballarpur Industries Limited ("BILT") a group company of Avantha Holding Limited ("AHL") against which full provision was made consequent to default in payment of maturity proceeds during F.Y. 2016-17 which resulted in erosion in net asset value of the mutual fund investment held by the Company. In terms of agreement, AHL agreed to pay the balance amount along with interest in a phased manner. The Boards of Trustee and AMC decided that the recovery proceeds including interest payable by AHL will be paid to all the investors holding investment in the Debt Schemes of Taurus Mutual Fund, when NAV was reduced due to mark-down of BILT Commercial Paper. The amount, if any, received from Taurus Mutual Fund on recovery made from AHL is treated as miscellaneous income by the company in the year of receipt of such amount. No amount has been received during the Current year and previous year.

40. Mutual fund expenses (Refer Note No. 29)

- Mutual fund expenses include Rs. 2.82 lakhs (previous year Rs 3.09 Lakhs) being expenses of the mutual fund schemes managed by the Company in excess of the limits specified in SEBI Regulations 52(4) which are borne by the Company.
- Vide SEBI Circular dated 22 October 2018 and subsequent clarification vide SEBI letter dated 21 February 2019 & 25 March 2019, all scheme related expenses including commission paid to distributors, by whatever name it may be called and in whatever manner it may be paid, shall necessarily be paid from the scheme only within the regulatory limits and not from the books of the Asset Management Company, its Associate, sponsor, Trustee or any other entity through any route. Accordingly, all expenses related to schemes of Taurus Mutual funds have been borne by the Company till 21 October 2018 upto financial year 2018-19.

43. In the earlier years, the Holding Company had made an application to Reserve Bank of India (RBI) for issue of Certificate of Registration under Section 45IA of the Reserve Bank of India Act, 1934 as a Non Banking Financial Company (NBFC). However, Reserve Bank of India advised the Company to re-submit the application with some documents and latest financials which the company complied. Subsequently, Reserve Bank of India asked the company to re-submit the application due to some procedural issues which was also done by the company. So far, the Company has not received any reply from the Reserve Bank of India. To ensure the Company's well being and its growth, the Board of Directors of the Company in the earlier years took steps to diversify its business and the Company altered the object clause of Memorandum and Articles of Association by including commodity trading business besides investment and finance.

Consequent to the above mentioned diversification of business, the company does not require registration under section 45IA of the Reserve Bank of India Act, 1934 and the provisions of "Non-Banking Financial Company -Non-Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016 and other regulation as applicable to the NBFC including disclosure requirement are not applicable.
